

Section 1. Title.

This measure shall be known and may be cited as the California Solutions to Homelessness and Mental Health Support Act.

Section 2. Statement of Intent and Purposes.

The People of the State of California find and declare the following:

(a) California’s homelessness and mental health crises demand action. Nearly half of all unsheltered people in the country live in California, and public school data shows that more than 250,000 public school students are experiencing homelessness.

(b) Mental health disorders are among the most common health conditions faced by Californians: Nearly 1 in 6 California adults experience a mental illness of some kind; 1 in 24 has a serious mental illness that makes it difficult to carry out major life activities; and 1 in 13 children has an emotional disturbance that limits participation in daily activities. With no adequate permanent funding stream, every level of government has disinvested in mental health services – leaving those in most dire need of support without help.

(c) In May 2018, the United States Supreme Court eliminated the federal prohibition on sports betting. As a result, states now have the freedom to authorize online sports betting at locations within their borders and establish regulations, consumer protections, responsible gaming measures, and taxes on online sports betting.

(d) Unregulated and untaxed online sports betting is currently happening throughout California in the illegal market without any consumer or responsible gaming protections. Leading economists and industry experts estimate the illegal market has flourished with billions of dollars bet online annually across the United States.

(e) Allowing state-regulated entities to offer responsible online sports betting that includes a comprehensive licensing process, limits online sports betting to individuals 21 years of age or older, and imposes enforcement and accountability measures will generate billions of dollars in revenue to help fight homelessness and expand mental health support in California.

(f) Safe, legal online sports betting that allows people who are 21 years or older to enjoy sports betting over the Internet and on mobile devices should require online sports betting operators to put in place age verification and information-sharing technologies that have been proven effective in other states at preventing minors from participating and impose penalties and fines for violations.

(g) Safe and legal online sports betting should be regulated by the California Department of Justice to ensure minors and children are protected, the integrity of sporting events is maintained, and operators are properly licensed. Smart technologies and information-sharing amongst sports leagues, online sports betting operators, and the Department should be employed to protect minors and maintain sports integrity.

(h) Online sports betting requires the expertise of entities with significant experience operating online sports betting platforms in other U.S. states and territories. Therefore, gaming tribes should be given the option of offering state-regulated online sports betting to individuals who make bets while physically present in this State but outside of Indian lands; qualified online sports betting platform providers should be able to offer their products and services to gaming tribes; and qualified gaming entities that have a market access agreement with a gaming tribe should be permitted to offer online sports betting in this state.

(i) The legal market for online and in-person sports betting must be operated by persons and entities with the ability to protect consumers, prevent minors from accessing sports betting, promote and preserve responsible play, and facilitate a marketplace that responsibly maximizes revenue to accomplish the public policy purposes of this Act. This Act imposes minimum qualifications that such persons and entities must satisfy before they may offer online sports betting in the State of California.

(j) Online and in-person sports betting are complementary and supplementary to each other. They can be offered concurrently in California in order to maximize the amount of tax revenue generated.

Section 3. Section 19.5 is added to Article IV of the California Constitution, to read:

SEC. 19.5. Notwithstanding any contrary provision of this Constitution or any other law:

(a) A gaming tribe, an online sports betting platform provider with an operating agreement with a gaming tribe, or a qualified gaming entity with a market access agreement with a gaming tribe may offer, conduct, and/or operate online sports betting over the Internet and on mobile devices to persons aged 21 years or older physically present anywhere in this State but outside of Indian lands of a federally recognized Indian tribe.

(2) The implementation and administration of this section shall be governed by Chapter 4.7 (commencing with Section 19750) of Division 8 of the Business and Professions Code, the provisions of which are hereby expressly authorized and required by this section of the Constitution.

(c) Online sports betting shall not be permitted on youth sports events.

(d)(1) The taxes imposed by Article 8 (commencing with Section 19775) of Chapter 4.7 of Division 8 of the Business and Professions Code shall be in lieu of and preempt all other existing or future state and local taxes imposed on any of the following:

(A) An online sports betting operator in its capacity as an online sports betting operator.

(B) The offering, conduct, and/or operation of online sports betting.

(C) The revenues or income generated from online sports betting.

(2) Notwithstanding paragraph (1), this subdivision does not prohibit the imposition of a tax where all of the following apply:

(A) The tax is generally applicable to a broad range of businesses, business activity, conduct, property, or products.

(B) The tax does not establish or rely on a classification related to or involving any of the following: (i) online sports betting operators; (ii) the offering, conduct, and/or operation of online sports betting; or (iii) the revenues or income from online sports betting.

(C) The tax is applied in a manner that avoids additional taxation of the operation of, or revenues or income generated by, online sports betting.

(e) Any word or phrase appearing in this section that also appears in Article 13 (commencing with Section 19794) of Chapter 4.7 of Division 8 of the Business and Professions Code shall be defined by those statutory definitions.

(f) This section shall take effect on the next January 1 following its approval by the People of the State of California.

Section 4. Chapter 4.7 (commencing with Section 19750) is added Division 8 of the Business and Professions Code, to read:

CHAPTER 4.7. ONLINE SPORTS BETTING

ARTICLE 1. California Online Sports Betting Trust Fund.

19750. California Online Sports Betting Trust Fund.

(a) The California Online Sports Betting Trust Fund (“Fund”) is hereby established in the State Treasury.

(b) Notwithstanding any other provision of law, the Fund, and every account within the Fund, is hereby declared to be a trust fund.

(c) Except as provided in Sections 16310 and 16381 of the Government Code, as those sections read on January 1, 2018, moneys in the Fund shall not be borrowed, loaned, or otherwise transferred to the General Fund or other fund in the State Treasury. Moneys deposited into the Fund, and any account within the Fund, including any interest earned thereon, shall only be used for the specific purposes set forth in this chapter. No action shall be taken that

permanently or temporarily changes the status of the Fund as a trust fund, or borrows, diverts, or appropriates the moneys in the Fund in a manner inconsistent with this chapter.

(d) After deducting and transferring the necessary moneys pursuant to paragraph (2) of subdivision (c) of Section 19751 and repaying the loan authorized by Section 19784, the Controller shall annually allocate and transfer the remaining moneys in the Fund to the following accounts, in the following amounts:

(1)(A) Eighty-five percent (85%) to the California Solutions to Homelessness and Mental Health Support Account, which is hereby created in the Fund. As set forth in this paragraph, moneys in the account shall be appropriated pursuant to Section 12 of Article IV of the Constitution for the purpose of delivering permanent and interim housing, including rental assistance, supportive services, and operating subsidies or reserves for these purposes.

(i) Moneys in the account shall be made available to cities, counties, and continuums of care according to the same allocation formula for the most recent fiscal year used to distribute moneys to those entities under the Homelessness Housing, Assistance, and Prevention program established in Chapter 6 (commencing with Section 50216) of Part 1 of Division 31 of the Health and Safety Code (the “HHAP law”), or any successor statute.

(ii) Moneys appropriated from the account shall be provided to cities, counties, and continuums of care with the same accountability and reporting requirements as established in the HHAP law, or any successor statute.

(iii) Moneys appropriated from the account may be further restricted to advancing the state’s goals of improving outcomes for people experiencing homelessness who need access to mental health, substance use disorder treatment, and service enhanced housing.

(B) Moneys in the account, or a portion thereof, may be committed to the repayment of revenue bond indebtedness. The proceeds of any such revenue bonds shall be used solely and exclusively in furtherance of the purposes described in subparagraph (A). No moneys in the account shall ever be committed to the repayment of general obligation bonds.

(C) Notwithstanding subparagraph (A), a portion of the moneys in the account may also be appropriated for mental health treatment programs under Chapter 8 (commencing with Section 4369) of Part 3 of Division 4 of the Welfare and Institutions Code.

(D) Moneys allocated pursuant to this paragraph shall be used to increase and enhance the purposes described in subparagraphs (A) and (C), and not to replace any other existing revenues for those purposes including, but not limited to, existing revenue sources that support the HHAP law. The State and recipient cities, counties, and continuums of care bear the burden of proving by clear and convincing evidence that the moneys allocated pursuant to this paragraph are not being used to supplant preexisting revenues.

(E)(i) Except as provided in clause (ii), not more than forty percent (40%) of the moneys in the account shall be appropriated or used for interim housing.

(ii) In any fiscal year in which moneys appropriated for the HHAP law are equal to, or greater than, the amount appropriated for that purpose during the 2021-2022 fiscal year, the restriction in clause (i) shall not apply.

(2)(A) Fifteen percent (15%) to the Tribal Economic Development Account, subject to subparagraph (B).

(B) In the event that Section 19769 is found by a court of competent jurisdiction to be unenforceable in whole or in part under state or federal law, then the moneys described in subparagraph (A) shall instead be allocated and transferred by the Controller to the California Solutions to Homelessness and Mental Health Support Account.

(e)(1) Moneys shall be appropriated from the Fund pursuant to Section 12 of Article IV of the Constitution in order to cover the operational expenses incurred by the Division and the Department in carrying out this chapter. The annual appropriation for the Division and the Department shall be clearly sufficient to ensure that the Division is adequately staffed, that online sports betting is adequately regulated, and that the purposes of this chapter are being faithfully carried into effect.

(2) Of the moneys appropriated pursuant to this subdivision, eighty-five percent (85%) shall be drawn from the California Solutions to Homelessness and Mental Health Support Account and fifteen percent (15%) shall be drawn from the Tribal Economic Development Account.

19751. California Online Sports Betting Trust Fund Oversight and Accountability.

(a) The People of the State of California hereby declare their unqualified intent for the revenues generated by this chapter to be used to support the purposes set forth in Section 19750 without delay or interruption. The purpose of this section is to provide oversight and accountability mechanisms to guarantee that the People's intent is carried out.

(b) The Attorney General or local district attorney shall expeditiously investigate, and may seek civil or criminal penalties for, any misuse or unauthorized use, of moneys deposited into, or appropriated from, the California Online Sports Betting Trust Fund or any account within the Fund.

(c)(1) The nonpartisan California State Auditor shall conduct a biennial independent financial audit of the programs receiving moneys from the Fund. The California State Auditor shall report its findings to the Governor and both houses of the Legislature, and shall make the findings available to the public on its Internet website.

(2)(A) The California State Auditor shall be reimbursed from moneys in the Fund for actual costs incurred in conducting the biennial audits required by this subdivision, in an amount not to exceed six hundred thousand dollars (\$600,000) per audit.

(B) The six hundred thousand dollar (\$600,000) per audit maximum limit shall be adjusted decennially to reflect any increase in inflation as measured by the Consumer Price Index for All Urban Consumers (CPI-U). The Treasurer's office shall calculate and publish the adjustments required by this subparagraph.

(d)(1) If any challenge to invalidate an action that violates the use of moneys allocated or appropriated pursuant to this chapter, as specified in this chapter, is successful either by way of a final judgment, settlement, or resolution by judicial, administrative, or legislative action, there is

hereby continuously appropriated from the General Fund to the Controller, without regard to fiscal years, that amount of money necessary to restore the California Online Sports Betting Trust Fund, or account within the Fund, to its financial status had the unlawful action not been taken.

(2) Interest calculated at the Pooled Money Investment Account rate from the date or dates the moneys were unlawfully used shall accrue to the amounts required to be restored pursuant to this section. Within 30 days from the date a challenge is successful, the Controller shall make the transfer required by the continuous appropriation set forth in paragraph (1) and issue a notice to the parties that the transfer has been completed.

(3) If in any challenge brought pursuant to this section a restraining order or preliminary injunction is issued, the plaintiffs or petitioners shall not be required to post a bond obligating the plaintiffs or petitioners to indemnify the government defendants or the State of California for any damage the restraining order or preliminary injunction may cause.

(e)(1) Every four years, the Controller shall conduct a performance audit of efforts and programs funded with moneys from the California Solutions to Homelessness and Mental Health Support Account to ensure the moneys are disbursed and expended solely according to this chapter and shall report his or her findings to the Governor, the Legislature, and the public.

(2) Money in the California Solutions to Homelessness and Mental Health Support Account may be appropriated pursuant to Section 12 of Article IV of the Constitution in order to reimburse the Controller for the cost of conducting the audit(s) required by this subdivision. If moneys are appropriated from that account for this purpose, the amount shall not exceed the dollar limit described in paragraph (2) of subdivision (c).

19751.5. Tribal Economic Development Account.

(a) The Tribal Economic Development Account is hereby created in the California Online Sports Betting Trust Fund.

(b)(1) Notwithstanding Section 13340 of the Government Code or any other law, all moneys deposited in the Tribal Economic Development Account, together with any interest

earned thereon, are hereby continuously appropriated, without regard to fiscal years, to federally recognized Indian tribes in California that do not have any of the following: (A) a tribal operator license; (B) an operating agreement with an online sports betting platform provider; or (C) a market access agreement with a qualified gaming entity.

(2) Commencing not sooner than one year after the effective date of this chapter, the Controller shall transfer revenues in the Tribal Economic Development Account to Indian tribes described in paragraph (1). The transfers shall be made pursuant to the procedures adopted pursuant to subdivision (c).

(c) The Division shall, in consultation with the California Gambling Control Commission and the Governor's Tribal Advisor, adopt a regulation establishing a formula for allocating moneys in the Tribal Economic Development Account amongst Indian tribes described in paragraph (1) of subdivision (b). The formula shall, at a minimum, provide the method of allocation and a schedule for payments to be made.

(d) Moneys received by Indian tribes pursuant to this section may be used to support, improve, and expand tribal government, public health, education, infrastructure, economic development, and employment opportunities.

19759.5. Restrictions on Betting Requested by Sports Governing Bodies.

(a)(1) A sports governing body may submit to the Division a written request, in a form prescribed by the Division, to restrict, limit, or exclude a certain type, form, or category of online sports betting with respect to a covered sporting event of the sports governing body, if the sports governing body believes that such type, form, or category of online sports betting with respect to the covered sporting event of the sports governing body may undermine the integrity or perceived integrity of such body or covered sporting events of such body.

(b) The Division shall request comment from online sports betting operators on all requests made pursuant to this section. After giving due consideration to all comments received, the Division shall, upon a demonstration of good cause from the requestor that such type, form, or category of sports betting is likely to undermine the integrity or perceived integrity of such body or sporting events of such body, grant the request.

(c)(1) The Division shall respond to a request concerning a covered sporting event before the start of the event, or, if it is not feasible to respond before the start of the event, no later than 7 days after the request is made.

(2) If the Division determines that the requestor is more likely than not to prevail in successfully demonstrating good cause for its request, the Division may provisionally grant the request of the sports governing body pending the Division's final determination thereon. Unless the Division provisionally grants the request, online sports betting operators may continue to

offer sports betting and accept bets on the covered sporting event pending a final determination by the Division.

(a) Online sports betting operators shall maintain records of all bets placed, including personally identifiable information of the bettor, amount and type of bet, time the bet was placed, location of the bet, including IP address if applicable, the outcome of the bet, and records of abnormal betting activity for three years after the sporting event occurs. If a video recording of the transaction is created, it shall be maintained for at least one year from the date the sporting event occurred. Online sports betting operators shall make such data available for inspection upon request of the Division or as required by court order.

(b) Online sports betting operators shall use commercially reasonable efforts to maintain in real time and at the account level, anonymized information regarding a bettor, amount and type of bet, the time the bet was placed, the location of the bet, including the IP address if applicable, the outcome of the bet, and records of abnormal betting activity. The Division may request such information in the form and manner as required by rule of the Division. Nothing in this subdivision shall require an online sports betting operator to provide any information that is prohibited by federal, state or local laws or regulations, including without limitation laws and regulations relating to privacy and personally identifiable information.

(c) If a sports governing body has notified the Division that access to the information described in subdivision (a) for bets placed on sporting events of such sports governing body is necessary to monitor the integrity of such body's sporting events, and represents to the Division that it specifically uses such data for the purpose of monitoring the integrity of sporting events of such sports governing body, then online sports betting operators shall share, in a commercially reasonable frequency, form, and manner, with the sports governing body or its designee(s) the same information the online sports betting operator is required to maintain under subdivision (b) with respect to bets on sporting events of such sports governing body. Sports governing bodies and their designees may only use information received under this section for integrity-monitoring purposes and may not use information received under this section for any commercial or other purpose. Nothing in this section shall require an online sports betting operator to provide any

(b) The Division shall consider the following factors when making determinations on requests submitted pursuant to paragraph (3) of subdivision (a):

- (1) Whether the outcome of the sporting event or bet type can be verified.
- (2) Whether the outcome of the sporting event may be affected by any bet type placed.
- (3) Whether the sporting event is conducted in conformity with all applicable laws.

(c) No bets shall be authorized or allowed upon any of the following with respect to sporting events:

- (1) The occurrence of injuries or penalties.
- (2) The outcome of player discipline rulings.
- (3) The outcome of replay reviews.

(d)(1) The Division shall approve or deny a request made pursuant to paragraph (3) of subdivision (a) within five business days of receipt of the request.

(2) The Division shall make good faith efforts to issue a determination in advance of the next opportunity for bets to be offered or accepted on the sporting event, sports league, or bet type subject to the request if the online sports betting operator makes the request at least three business days in advance thereof. If the request is approved, the sporting event, sports league, or bet type shall be added without delay to the list maintained pursuant to paragraph (1) of subdivision (a).

(3) If the Division does not communicate its determination to the online sports betting operator within five business days of receipt of the request, then both of the following shall apply:

(A) The online sports betting operator shall be permitted to offer betting on the next occurrence of the sporting event, sports league, or bet type after expiration of the five-business day deadline.

(B) The Division shall add without delay the sporting event, sports league, or bet type to the list maintained pursuant to paragraph (1) of subdivision (a).

(e) If a sports event or sports league has been generally authorized by the Division pursuant to this section, an online sports betting operator may accept bets on all sports events of the kind generally conducted by that sports league.

ARTICLE 4. Online Sports Betting Operators.

19762. Online Sports Betting Authorized.

Section 6. Section 23.5 is added to Article XVI of the California Constitution, to read:

SEC. 23.5. The taxes imposed by the California Solutions to Homelessness and Mental Health Support Act and the revenue derived therefrom, including investment interest, shall not be considered General Fund revenues for purposes of Section 8 and its implementing statutes, and shall not be considered “General Fund revenues,” “state revenues,” or “General Fund proceeds of taxes” for purposes of subdivisions (a) and (b) of Section 8 and its implementing statutes.

Section 7. Severability.

The provisions of this Act are severable. If any portion, section, subdivision, paragraph, clause, sentence, phrase, word, or application of this Act is for any reason held to be invalid by a decision of any court of competent jurisdiction, that decision shall not affect the validity of the remaining portions of this Act. The People of the State of California hereby declare that they would have adopted this Act and each and every portion, section, subdivision, paragraph, clause, sentence, phrase, word, and application not declared invalid or unconstitutional without regard to whether any part of this Act or application thereof would be subsequently declared invalid.

Section 8. Conflicting and Non-Conflicting Initiative Measures.

(a) Conflicting Initiative Measures. In the event that this initiative measure and another initiative measure or measures authorizing sports betting to be offered over the Internet and on mobile devices to persons aged 21 years or older physically present in this State but outside of Indian lands shall appear on the same statewide election ballot, the other initiative measure or

measures shall be deemed to be in conflict with this measure. In the event that this initiative measure receives a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and the provisions of the other initiative measure or measures shall be null and void.

(b) Non-conflicting Initiative Measures.

(1) Notwithstanding subdivision (a), this initiative measure shall not be deemed to be in conflict with the California Sports Wagering Regulation and Unlawful Gambling Enforcement Act, which was initially designated as Initiative No. 19-0029 Amendment #1 by the Attorney General and # 1886 by the Secretary of State.

(2) The voters hereby declare that this Act and the initiative measure described in paragraph (1) are complementary and supplementary to each other; and are not competing all-or-nothing alternatives. The voters hereby freely and unequivocally express their intent that if this Act and the initiative measure described in paragraph (1) are both approved at the same election, that both this Act and the other initiative measure should both be given full force and effect.

(3) The voters hereby further declare:

(A) The California Sports Wagering Regulation and Unlawful Gambling Enforcement Act and this Act are complementary and supplementary to each other.

(B) This Act and the California Sports Wagering Regulation and Unlawful Gambling Enforcement Act are not competing all-or-nothing alternatives.

(C) It is the intent of the People that, should this Act and the California Sports Wagering Regulation and Unlawful Gambling Enforcement Act both be approved by the voters at the same election, both measures should be given full force and effect in order ensure that the benefits of safe, legal online and in-person sports betting can both be realized for the State of California.

(c) If this initiative measure is approved by the voters but superseded in whole or in part by any other conflicting initiative measure approved by the voters at the same election, and such conflicting measure is later held invalid, this measure shall be self-executing and given full force and effect.

Section 9. Liberal Construction.

This Act shall be liberally construed to give effect to its intent and purposes, which are expressed in Section 2 of this Act.

Section 10. Legal Defense.

The purpose of this section is to ensure that the people's precious right of initiative cannot be improperly annulled by state politicians who refuse to defend the will of the voters. Therefore, if this Act is approved by the voters of the State of California and thereafter subjected to a legal challenge which attempts to limit the scope or application of this Act in any way, or alleges this Act violates any state or federal law in whole or in part, and both the Governor and Attorney General refuse to defend this Act to the fullest extent possible on behalf of the State of California, then the following actions shall be taken:

(a) Notwithstanding anything to the contrary contained in Chapter 6 of Part 2 of Division 3 of Title 2 of the Government Code or any other law, the Attorney General shall appoint independent counsel to faithfully and vigorously defend this Act to the fullest extent possible on behalf of the State of California.

(b) Before appointing or thereafter substituting independent counsel, the Attorney General shall exercise due diligence in determining the qualifications of independent counsel and shall obtain written affirmation from independent counsel that independent counsel will faithfully and vigorously defend this Act to the fullest extent possible. The written affirmation shall be made publicly available upon request.

(c) In order to support the defense of this Act in instances where the Governor and Attorney General fail to do so despite the will of the voters, a continuous appropriation is hereby made from the General Fund to the Controller, without regard to fiscal years, in an amount necessary to cover the costs of retaining independent counsel to faithfully and vigorously defend this Act on behalf of the State of California to the fullest extent possible.
